

Give your customers the products they want in the packs they need

We pack chemical products into tailor made small pack formats to suit the needs of the end user. Our customers are product suppliers, users and brand owners who wish to provide packs of the right size and format for their application. We specialise in filling exact, economic measures of chemical products, precisely measured and in the correct ratio. We take care of traceability, shelf life and labelling.

Products Packed Include:

- Sealants
- Coatings
- Paints
- Cleaners
- Solvents
- Powders
- Lubricants
- All types of chemicals
- Adhesives

Perfect Packaging Assures Engineered Performance, Exacting Ratio, Flawless Delivery, Maximum Shelf-life, Complete Traceability, Minimised Waste.
